## 2018 POST-SHOW STATISTICS

If your company provides products that aid in the prevention, response or remediation of a spill incident in the Western United States and Canada, you should be exhibiting at the CLEAN PACIFIC Conference & Exhibition! In fact, 72% of attendees at the last CLEAN PACIFIC came from Alaska, California, Hawaii, Oregon, Washington or Canada. With your exhibit space, your company will have the opportunity to meet with hundreds of decision-makers responsible for sourcing new products and services for spill prevention and response.
